Dear Fellow Shareholders:

The year ended December 31, 2008 was marked by three quarters of strong operating results followed by a fourth quarter of severe and pervasive economic decline. Specifically, in each of the first three quarters of last year, we experienced year-over-year quarterly growth in operating revenue, income from operations and income per diluted share. These healthy trends continued into October, but then began slowing the second half of November.

In December, we experienced an unprecedented decline in demand for our core airport-to-airport freight services, with freight volumes dropping in excess of 20% year-over-year. This decline in demand in our core product drove a year-over-year quarterly decline in operating revenue, income from operations and income per diluted share. The logistics group and our pool distribution segment provided some much-needed bright spots in the otherwise dismal fourth quarter by producing year-over-year quarterly revenue increases of 39% and 105%, respectively.

In response to the continuing decline in demand for our core airport-to-airport product, we took aggressive cost containment steps by implementing workforce reductions, initiating an across-the-board salary and wage freeze and curtailing much of the planned 2009 capital spending. We made all of these changes without sacrificing the superior level of service that has differentiated Forward Air from its competitors. We will continue to carefully and diligently monitor all of our variable and fixed costs and take the necessary steps to contain, reduce or eliminate such costs, where possible.

Absent a quicker than expected recovery, we anticipate that 2009 will present one of the most difficult operating environments that we have ever experienced. Nevertheless, we continue to believe that our asset-light, variable operating model and the revenue growth opportunities afforded to us through our "Completing the Model" initiatives will enable us to better endure the depressed freight levels. We further believe Forward Air will emerge from these difficult economic times operationally stronger and better positioned to reap the rewards of a healthier, more robust freight environment.

We thank all of our employees and independent contractors for their hard work, discipline, dedication, and valuable contributions throughout last year, and especially thank you for your continued support of Forward Air.

Sincerely yours,

PROXY STATEMENT
FOR
ANNUAL MEETING OF SHAREHOLDERS

This Proxy Statement is furnished to the shareholders of Forward Air Corporation (the “Company”) in connection with the solicitation of proxies by the Board of Directors (the “Board”) for use at the Annual Meeting of Shareholders (the “Annual Meeting”) to be held on Tuesday, May 12, 2009, beginning at 8:00 a.m., EDT, in the Jasmine/Magnolia Room at the Westin Atlanta Airport, 4736 Best Road, Atlanta, Georgia 30337, and any adjournment or postponement thereof, for the purposes set forth in the foregoing Notice of Annual Meeting of Shareholders. This proxy material is first being sent to shareholders on or about April 2, 2009.

You can ensure that your shares are voted at the Annual Meeting by submitting your instructions over the Internet, by telephone or by completing, signing, dating and returning the enclosed proxy in the envelope provided. You may revoke your proxy at any time before it is exercised by voting in person at the Annual Meeting or by delivering written notice of your revocation to, or a subsequent proxy to, the Secretary of the Company at its principal executive offices. Each proxy will be voted **FOR** Proposals 1 and 2 if no contrary instruction is indicated in the proxy, and in the discretion of the persons named in the proxy on any other matter that may properly come before the shareholders at the Annual Meeting.

Shareholders are entitled to one vote for each share of common stock held of record at the close of business on March 16, 2009 (the “Record Date”). There were 28,939,160 shares of our common stock, par value \$0.01 per share, issued and outstanding on the Record Date. The presence, in person or by proxy, of a majority of those shares will constitute a quorum at the Annual Meeting.

The affirmative vote of a plurality of the votes cast by the shareholders entitled to vote at the Annual Meeting is required for the election of directors. A properly executed proxy marked “**Withhold Authority**” with respect to the election of one or more directors will not be voted with respect to the director or directors indicated, although it will be counted in determining whether there is a quorum. Therefore, so long as a quorum is present, withholding authority will have no effect on whether one or more directors is elected.

Any other matter that properly comes before the Annual Meeting will be approved if the number of shares of common stock voted in favor of the proposal exceeds the number of shares of common stock voted against it. A properly executed proxy marked “**Abstain**” with respect to such proposal will not be voted on that proposal, although it will be counted in determining whether there is a quorum. Therefore, as long as a quorum is present, abstaining from any proposal that properly comes before the Annual Meeting will have no effect on whether the proposal is approved.

Brokers who hold shares for the accounts of their clients who do not receive voting instructions may not vote for certain of the proposals contained in this Proxy Statement unless specifically instructed to do so by their clients. Proxies that are returned to us where brokers have received instructions to vote on one or more proposal(s) but have not received instructions to vote on other proposal(s) are referred to as

[Table of Contents](#)

“broker non-votes” with respect to the proposal(s) not voted upon. Broker non-votes are included in determining the presence of a quorum.

The Company will bear the cost of soliciting proxies for the Annual Meeting. Our officers and employees may also solicit proxies by mail, telephone, e-mail or facsimile transmission. They will not be paid additional remuneration for their efforts. Upon request, we will reimburse brokers, dealers, banks and trustees, or their nominees, for reasonable expenses incurred by them in forwarding proxy materials to beneficial owners of shares of our common stock.

IMPORTANT NOTICE REGARDING THE AVAILABILITY OF PROXY MATERIALS FOR THE 2009 ANNUAL MEETING OF STOCKHOLDERS TO BE HELD ON MAY 12, 2009.

The Company’s Proxy Statement for the 2009 Annual Meeting of Shareholders and the Company’s Annual Report on Form 10-K for the fiscal year ended December 31, 2008 are available at www.forwardair.com.

There are eight nominees for election at the Annual Meeting of Shareholders, each to hold office until the next Annual Meeting of Shareholders in 2010 or until a successor has been duly elected and qualified. **The Board of Directors recommends a vote FOR the election of the eight nominees named below. Duly executed proxies will be so voted unless record holders specify a contrary choice on their proxies.** If for any reason a nominee is unable to serve as a director, it is intended that the proxies solicited hereby will be voted for such substitute nominee as the Board may propose, or the Board may reduce the number of directors. The Board has no reason to expect that the nominees will be unable to serve and, therefore, at this time it does not have any substitute nominees under consideration. Proxies cannot be voted for a greater number of persons than the number named.

Shareholder Vote Requirement

CORPORATE GOVERNANCE

Independent Directors

The Company's common stock is listed on The NASDAQ Stock Market LLC ("Nasdaq"). Nasdaq requires that a majority of the Company's directors be "independent directors," as defined in Nasdaq Marketplace Rule 4200. Generally, a director does not qualify as an independent director if, among other reasons, the director (or in some cases, members of the director's immediate family) has, or in the past three years has had, certain material relationships or affiliations with the Company, its external or internal auditors, or other companies that do business with the Company. The Board has affirmatively determined that seven of the Company's eight current directors are "independent directors" on the basis of Nasdaq's standards and an analysis of all facts specific to each director.

The independent directors are C. Robert Campbell, Richard W. Hanselman, C. John Langley, Jr., Tracy A. Leinbach, G. Michael Lynch, Ray A. Mundy, and Gary L. Paxton.

Corporate Governance Guidelines

The Board of Directors has adopted Corporate Governance Guidelines that give effect to Nasdaq's requirements related to corporate governance and various other corporate governance matters. The Company's Corporate Governance Guidelines, as well as the charters of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee, are available on the Company's website at www.forwardair.com and are available in print by contacting the Corporate Secretary by mail at Forward Air Corporation, 430 Airport Road, Greeneville, Tennessee 37745, or by telephone at (423) 636-7000.

Non-Employee Director Meetings

Pursuant to the Company's Corporate Governance Guidelines, the Company's non-employee directors meet in executive session without management on a regularly scheduled basis, but not less frequently than quarterly. The Lead Independent Director presides at such executive sessions or, in his or her absence, a non-employee director designated by such Lead Independent Director.

Interested parties who wish to communicate with the Chairman of the Board, Lead Independent Director, or the non-employee directors as a group should follow the procedures found below under "Shareholder Communications."

Director Nominating Process

The Corporate Governance and Nominating Committee evaluates a candidate for director who was recommended by a shareholder in the same manner as a candidate recommended by other means. Shareholders wishing to communicate with the Corporate Governance and Nominating Committee concerning potential director candidates may do so by corresponding with the Corporate Secretary at Forward Air Corporation, 430 Airport Road, Greeneville, Tennessee 37745, and including the name and biographical data of the individual being suggested.

All recommendations should include the written consent of the nominee to be nominated for election to the Company's Board of Directors. To be considered, the Company must receive recommendations at least 120 calendar days prior to the one year anniversary of the Company's proxy statement date for the prior year's Annual Meeting of Shareholders and include all required information to be considered. In the case of

Table of Contents

the 2010 Annual Meeting of Shareholders, this deadline is December 2, 2009. All recommendations will be brought to the attention of the Corporate Governance and Nominating Committee.

The Corporate Governance and Nominating Committee annually reviews the appropriate experience, skills and characteristics required of Board members in the context of the current membership of the Board. This assessment includes among other relevant factors in the context of the perceived needs of the Board at that time, the possession of such knowledge, experience, skills, expertise and diversity to enhance the Board's ability to manage and direct the affairs and business of the Company.

The Company's Board of Directors has established the following process for the identification and selection of candidates for director. The Corporate Governance and Nominating Committee, in consultation with the Chairman of the Board and Lead Independent Director, if any, periodically examines the composition of the Board and determines whether the Board would better serve its purposes with the addition of one or more directors. If the Corporate Governance and Nominating Committee determines that adding a new director is advisable, the Corporate Governance and Nominating Committee initiates the search, working with other directors and management and, if appropriate or necessary, a third-party search firm that specializes in identifying director candidates.

The Corporate Governance and Nominating Committee will consider all appropriate candidates proposed by management, directors and shareholders. Information regarding potential candidates shall be presented to the Corporate Governance and Nominating Committee, and the Committee shall evaluate the candidates based on the needs of the Board at that time and issues of knowledge, experience, skills, expertise and diversity, as set forth in the Company's Corporate Governance Guidelines. Potential candidates will be evaluated according to the same criteria, regardless of whether the candidate was recommended by shareholders, the Corporate Governance and Nominating Committee, another director, Company management, a search firm or another third party. The Corporate Governance and Nominating Committee will submit any recommended candidate(s) to the full Board of Directors for approval and recommendation to the shareholders.

Shareholder Communications

Shareholders who wish to communicate with the Board, a Board committee or any such other individual director or directors may do so by sending written communications addressed to the Board of Directors, a Board committee or such individual director or directors, c/o Corporate Secretary, Forward Air Corporation, 430 Airport Road, Greeneville, Tennessee 37745. All communications will be compiled by the Secretary of the Company and forwarded to the members of the Board to whom the communication is directed or, if the communication is not directed to any particular member(s) of the Board, the communication will be forwarded to all members of the Board of Directors.

Annual Performance Evaluations

The Company's Corporate Governance Guidelines provide that the Board of Directors shall conduct an annual evaluation to determine, among other matters, whether the Board and the Committees are functioning effectively. The Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee are also required to each conduct an annual self-evaluation. The Corporate Governance and Nominating Committee is responsible for overseeing this self-evaluation process.

[Table of Contents](#)

Code of Ethics

The Board of Directors has adopted a Code of Ethics that applies to all Company employees, officers and directors, which is available on the Company's website at www.forwardair.com. The Code of Ethics complies with Nasdaq and Securities and Exchange Commission (the "SEC") requirements, including procedures for the confidential, anonymous submission by employees or others of any complaints or concerns about the Company or its accounting practices, internal accounting controls or auditing matters. The Company will also mail the Code of Ethics to any shareholder who requests a copy. Requests may be made by contacting the Corporate Secretary as described above under "Corporate Governance Guidelines."

Board Attendance

The Company's Corporate Governance Guidelines provide that all directors are expected to attend all meetings of the Board and committees on which they serve and are also expected to attend the Annual Meeting of Shareholders. During 2008, the Board of Directors held six meetings. All of the incumbent directors attended at least 75% of the aggregate number of meetings of the Board of Directors and meetings of committees of the Board on which they served during 2008. All eight incumbent directors attended the 2008 Annual Meeting of Shareholders.

Board Committees

The Board presently has four standing committees: an Executive Committee, an Audit Committee, a Compensation Committee and a Corporate Governance and Nominating Committee. With the exception of the Executive Committee, each committee has authority to engage legal counsel or other experts or consultants as it deems appropriate to carry out its responsibilities. In addition, the Board has determined that each member of the Audit Committee, Compensation Committee and Corporate Governance and Nominating Committee is "independent," as defined in Nasdaq Marketplace Rule 4200, and that each member is free of any relationship that would interfere with his or her individual exercise of independent judgment. Additional information regarding the functions of the Board's committees, the number of meetings held by each committee during 2008 and their present membership is set forth below.

The Board nominated each of the nominees for election as a director and each nominee currently is a director. Assuming election of all of the director nominees, the following is a list of persons who will constitute the Company's Board of Directors following the meeting, including their current committee assignments.

Executive Committee. The Executive Committee is authorized, to the extent permitted by law and the Bylaws of the Company, to act on behalf of the Board on all matters that may arise between regular meetings of the Board upon which the Board would be authorized to act, subject to certain materiality restrictions established by the Board.

Audit Committee. The Audit Committee engages the Company's independent registered public accounting firm, considers the fee arrangement and scope of the audit, reviews the financial statements and the independent registered public accounting firm's report, considers comments made by such firm with respect to the Company's internal control structure, and reviews the internal audit process and internal accounting procedures and controls with the Company's financial and accounting staff. A more detailed description of the Audit Committee's duties and responsibilities can be found in the Audit Committee Report on page 27 of this Proxy Statement and in the Audit Committee Charter. A current copy of the written charter of the Audit Committee is available on the Company's website at www.forwardair.com.

The Board has determined that the chairperson of the Audit Committee, Tracy A. Leinbach, meets the definition of an "audit committee financial expert," as that term is defined by the rules and regulations of the SEC. The Audit Committee held seven meetings during 2008.

Compensation Committee. The Compensation Committee is responsible for determining the overall compensation levels of certain of the Company's executive officers and reviews and approves the Company's employee incentive plans and other employee benefit plans. Additionally, it reviews and approves the Compensation Discussion and Analysis for inclusion in the proxy statement (see page 15 of this Proxy Statement). A current copy of the written charter of the Compensation Committee is available on the Company's website at www.forwardair.com. The Compensation Committee held 3 meetings during 2008.

Corporate Governance and Nominating Committee. The Corporate Governance and Nominating Committee is responsible for identifying individuals qualified to become Board members and recommending them to the full Board for consideration. This responsibility includes all potential candidates, whether initially recommended by management, other Board members or shareholders. In addition, the Committee makes recommendations to the Board for Board committee assignments, develops and annually reviews corporate governance guidelines for the Company, and otherwise oversees corporate governance matters. In addition, the Committee coordinates annual or bi-annual performance reviews for the Board, Board committees, Chairman, CEO, Lead Independent Director, if any, and individual director nominees. The Committee periodically reviews and makes recommendations to the Board regarding director compensation for the Board's approval. Also, the Committee oversees management succession planning.

A description of the Committee's policy regarding director candidates nominated by shareholders appears in "Director Nominating Process" above. A current copy of the written charter of the Corporate Governance and Nominating Committee is available on the Company's website at www.forwardair.com. The Corporate Governance and Nominating Committee held four meetings during 2008.

DIRECTOR COMPENSATION

The general policy of the Board is that compensation for non-employee directors should be a mix of cash and equity-based compensation. The Company does not pay employee directors for Board service in addition to their regular employee compensation.

The Corporate Governance and Nominating Committee, which consists solely of independent non-employee directors, has the primary responsibility for reviewing and considering any revisions to the non-employee director compensation program. In accordance with the

Table of Contents

Corporate Governance and Nominating Committee's recommendations, the non-employee directors' cash compensation program is as follows:

- an annual cash retainer of \$20,000 for the Non-Employee Lead Independent Director;
- an annual cash retainer of \$35,000 for all non-employee directors;
- an annual cash retainer of \$15,000 for the Audit Committee Chair;
- an annual cash retainer of \$7,500 for the Corporate Governance and Nominating Committee and Compensation Committee Chairs;
- an annual cash retainer of \$7,500 for all non-Chair Audit Committee members;
- a \$1,500 per in-person meeting fee; and
- a \$750 per teleconference meeting fee.

No additional fee is paid for Committee meetings held on the same day as Board meetings. All directors are reimbursed reasonable travel expenses for meetings attended in person. In addition, the Company reimburses directors for expenses associated with participation in continuing director education programs.

In addition, effective May 22, 2007, the Company's shareholders approved the Company's Amended and Restated Non-Employee Director Stock Plan (the "Amended Plan"). Under the Amended Plan, on the first business day after each Annual Meeting of Shareholders, each non-employee director is automatically granted an award (the "Annual Grant") in such form and size as the Board determines from year to year. In 2008, each non-employee director received 2,306 shares of restricted common stock pursuant to the Amended Plan. Unless otherwise determined by the Board, Annual Grants will become vested and nonforfeitable one year after the date of grant so long as the non-employee director's service with the Company does not earlier terminate.

Certain Relationships and Related Person Transactions

We review all relationships and transactions in which the Company and our directors and executive officers or their immediate family members are participants to determine whether such persons have a direct or indirect material interest. Other than as provided in the Audit Committee Charter, the Company does not have a written policy governing related person transactions. The Company's legal staff is primarily responsible for the development and implementation of processes and controls to obtain information from the directors and executive officers with respect to related person transactions and for then determining, based on the facts and circumstances, whether the Company or a related person has a direct or indirect material interest in the transaction. As required under SEC rules, transactions that are determined to be directly or indirectly material to the Company or a related person are disclosed in this Proxy Statement. In addition, the Audit Committee reviews and approves or ratifies any related person transaction that is required to be disclosed. In the course of its review and approval or ratification of a disclosable related person transaction, the Audit Committee considers:

- the nature of the related person's interest in the transaction;
- the material terms of the transaction, including, without limitation, the amount and type of transaction;
- the importance of the transaction to the related person; and
- the importance of the transaction to the Company.

Any member of the Audit Committee who is a related person with respect to a transaction under review may not participate in the deliberations or vote respecting approval or ratification of the transaction, provided, however, that such director may be counted in determining the presence of a quorum at a meeting of the Audit Committee when considering the transaction.

Based on information provided by the directors, director nominees and executive officers, and the Company's legal department, the Audit Committee determined that, other than as described below, there are no related person transactions to be reported in this Proxy Statement.

EXECUTIVE COMPENSATION

Compensation Discussion And Analysis

Overview of Compensation Program

The Compensation Committee (for purposes of this Compensation and Discussion Analysis, the “Committee”) of the Board is comprised of three independent, non-employee directors. The Committee has the responsibility for establishing and monitoring adherence to the Company’s executive compensation philosophy and recommending compensation programs consistent with such philosophy. The Committee reviews and approves the Company’s goals and objectives relevant to the compensation of the Chief Executive Officer (“CEO”) and the other Named Executive Officers (each of whom is identified in the Summary Compensation Table on page 22 of this Proxy Statement). The Committee then evaluates the performance of the Named Executive Officers in light of these established goals and objectives to determine the compensation of the Named Executive Officers, including base pay, annual incentive pay, long-term equity incentive pay and any other benefits and/or perquisites.

Compensation Philosophy and Objectives

The Committee believes that the most effective executive compensation program is one that is designed to attract, develop, reward and retain quality management talent in order to facilitate the Company’s achievement of its annual, long-term and strategic goals. The Committee believes that such a philosophy will properly align our executives’ interests with our shareholders’ interests by creating a pay-for-performance culture at the executive level, with the ultimate objective of increasing shareholder value. It is the Committee’s philosophy that executive compensation should recognize the contributions of individual executives to the Company’s goals and objectives, and should be competitive with compensation provided by both the Company’s functional industry peers as well as financial peers. The Committee believes that while executive compensation should be directly linked to performance, it should also be an incentive for executives to continually improve performance.

In order to meet its goals of attracting, developing, rewarding and retaining superior executive management, the Committee utilizes a compensation package that considers the compensation of similarly situated executives at peer organizations, the length of tenure of the executive, and value of the executive to the organization. Additionally, the Committee utilizes annual cash incentives tied to the Company’s performance measured against established goals. Finally, the Committee awards long-term compensation to its executives to recognize and reward past performance of the Company measured against established goals, to encourage retention of its executive management team, to encourage the Company’s executives to hold a long-term stake in the Company and to align the executives’ long-term compensation directly with the shareholder’s long-term value.

Employment Agreement with Bruce A. Campbell

There is an Employment Agreement between Bruce A. Campbell and the Company, which was effective October 30, 2007 with a term ending on December 31, 2010. This Employment Agreement was amended in December of 2008 to the extent necessary to make the Agreement comply with Section 409A of the Internal Revenue Code and the Treasury regulations promulgated under that section, which relate to nonqualified deferred compensation. The Employment Agreement was subsequently amended in February of 2009 to extend the term of the Agreement to December 31, 2012. (The Employment Agreement and the two amendments thereto are referred to collectively as the “Employment Agreement”). The term of the

Table of Contents

Employment Agreement automatically extends for one additional year unless terminated by the Board of Directors or Mr. Campbell, upon notice.

Under the Employment Agreement, Mr. Campbell received an annual base salary of no less than \$400,000 until January 31, 2008 and effective February 1, 2008, his base salary increased to \$500,000. Mr. Campbell is eligible under the Employment Agreement to receive an annual year-end cash bonus dependent upon the achievement of performance objectives by Mr. Campbell and the Company as established by the Compensation Committee. The Employment Agreement provides that Mr. Campbell will be entitled to the same fringe benefits as are generally available to the Company's executive officers.

In addition, Mr. Campbell was granted 200,000 stock options under the 1999 Plan (as defined below). These options vest equally over a three year period with the first third of the options vesting October 30, 2008, the next third vesting October 30, 2009 and the final third vesting October 30, 2010. These options have a five (5) year term. The Employment Agreement also provides that the Company reserves the right to grant and/or award other long term equity to Mr. Campbell under the 1999 Plan or such other plans that the Company may adopt.

Under the Employment Agreement, the Company may terminate Mr. Campbell at any time with or without "just cause," as defined in the Employment Agreement. If the Company should terminate Mr. Campbell without "just cause", he would be entitled to receive (i) his base salary for the longer of one year from the date of termination or the remainder of the then-pending term of the Employment Agreement but not to exceed two years; (ii) any unpaid bonus amounts previously earned; and (iii) continued insurance coverage for one year from the date of such termination. Mr. Campbell would not be entitled to any unearned salary, bonus or other benefits if the Company were to terminate him for "just cause".

Mr. Campbell also may terminate the Employment Agreement at any time; however, he would not be entitled to any unearned salary, bonus or other benefits if he does so absent circumstances resulting from a "change of control" or "material change in duties," each defined in the Employment Agreement. In the event of a "change of control" or "material change in duties", Mr. Campbell would have two alternatives. Mr. Campbell may resign and receive (i) his base salary for twelve months following the date of the "change of control" or "material change in duties"; (ii) a cash bonus equal to the prior year's year-end cash bonus, plus any unpaid bonus amounts previously earned; (iii) any other payments due, including, among others, accrued and unpaid vacation pay; (iv) immediate acceleration of any stock options which are not then exercisable; and (v) continued insurance coverage for one year following the date of the "change of control" or "material change in duties". Alternatively, Mr. Campbell could continue to serve as President and CEO of the Company for the duration of the term of the Employment Agreement or until he or the Company terminates the Employment Agreement. The Employment Agreement also contains non-competition, non-solicitation and non-disclosure provisions following termination.

The Company does not have employment agreements with any of its other Named Executive Officers.

Role of Executive Officers in Compensation Decisions

The Committee makes all compensation decisions related to the CEO subject to and consistent with the terms of the employment agreement between the Company and the CEO. The CEO makes recommendations regarding base salary, annual incentive pay and long-term equity incentive awards for the other Named Executive Officers and provides the Committee with justification for such awards. Specifically, the CEO will review the performance of each of the other Named Executive Officers for the Committee and then make compensation recommendations. While the Committee gives great weight to the recommendations

[Table of Contents](#)

of the CEO, it has full discretion and authority to make the final decision on the salaries, annual incentive awards and long-term equity incentive awards as to all of the Named Executive Officers.

Setting Executive Compensation

Based on the foregoing objectives, the Committee has structured the Company's annual and long-term incentive-based cash and non-cash executive compensation to motivate executives to achieve the business goals set by the Company and to reward the executives for achieving such goals. In furtherance of this goal, in 2005, the Committee engaged Ernst & Young LLP's Human Capital Group (the "Human Capital Group"), an outside global human resources consulting firm, to conduct a review of its total compensation program for the CEO, Chief Financial Officer and other key executives. The Human Capital Group provided the Committee with relevant market data and alternatives to consider when making compensation decisions for the Named Executive Officers.

In making compensation decisions, the Committee compares each element of total compensation against a group of publicly-traded functional industry peers and a group of financial peers (collectively, the "Peer Group"). The functional industry peers consist of a variety of publicly-traded transportation and logistics companies, which while having a median revenue size larger than the Company, most accurately resemble the Company in model and performance in the transportation sector. The financial peers consist of a variety of publicly-traded companies that have similar financial traits as the Company in such areas as, but not limited to, net sales, EBITDA and ROE (return on equity). The financial peers are not direct competitors but they serve as good comparisons because of their financial size and performance. The Committee updates the Peer Group compensation data annually by utilizing the services of Equilar, a company that provides a comprehensive compensation database relating to executive compensation practices at publicly traded companies, including the Peer Group.

The Peer Group for the fiscal year ended December 31, 2008 consisted of the following companies:

- Heartland Express, Inc.
- Knight Transportation, Inc.
- Old Dominion Freight Line, Inc.
- UTi Worldwide, Inc.
- Cedar Fair, LP
- Commonwealth Telephone Enterprises, Inc.
- Franklin Electric Co., Inc.
- Expeditors International of Washington, Inc.
- Hub Group, Inc.
- Landstar System, Inc.
- Pacer International, Inc.
- ACE Cash Express, Inc.
- Celadon Group, Inc.
- Ennis, Inc.
- ESCO Technologies, Inc.
- Hydril Company

The Committee establishes base salaries for the Named Executive Officers at approximately the 50th percentile of executive pay for executives holding similar positions in the Peer Group. Variations to this objective may occur as dictated by the experience level of the individual, the value of the individual executive to the Company, market and other factors.

Annual incentive payments to the Named Executive Officers are tied to annual financial goals which include payments of a certain percentage of the executive's base pay for reaching certain pre-established annual performance goals. The Committee has discretion as to the amount of the incentive awards to the Company's executives for results that fall below the established performance goals, between two established performance goals or which exceed the highest established performance goal.

2008 Executive Compensation Components

For the fiscal year ended December 31, 2008, the principal components of compensation for Named Executive Officers were:

- base salary;
- performance-based incentive compensation;
- long-term equity incentive compensation;
- retirement and other benefits (available to all employees); and
- perquisites and other personal benefits.

Base Salary

The Company provides its Named Executive Officers and other employees with base salaries to compensate them for services rendered during the fiscal year. Base salary ranges for the Named Executive Officers are determined for each executive based on his position and responsibility and by reference to the Peer Group data. The Committee uses the median, or 50th percentile, Peer Group base salary for similarly situated executives as one of the factors in considering an executive's base salary. Additionally, the Committee conducts an internal review of each executive's compensation, both individually and compared to other Named Executive Officers, including factors such as level of experience and qualifications of the individual, scope of responsibilities and future potential, goals and objectives established for the executive as well as the executive's past performance. Base salaries for the Named Executive Officers and other executives at the Company are reviewed and adjusted on an annual basis as part of the Company's overall performance review process (or upon a promotion or change in the executive's duties). The base salaries for the Named Executive Officers for the fiscal year ended December 31, 2008 are set forth in the "Salary" column of the Summary Compensation Table on page 22 of this Proxy Statement.

Performance-Based Incentive Compensation

Annual Cash Incentive. The Committee adopts an incentive performance plan every year upon which the executives' performance and incentive pay may be based. In reviewing these plans, the Committee tries to ensure that the plan will promote high performance and achievement, encourage growth in shareholder value, and promote and encourage retention of the Company's executive talent. The Committee adopted an incentive payment grid which established operating income goals for the fiscal year ended December 31, 2008 and the resulting incentive payments for achievement of such goals. The 2008 incentive performance plan was as follows:

Operating Income (In thousands)	Percentage Payout (Of salary)
\$ 71,048	0%
\$ 71,987	10%
\$ 72,925	20%
\$ 73,864	30%
\$ 74,802	40%
\$ 75,741	50%
\$ 76,390	60%
\$ 77,039	70%
\$ 77,689	80%
\$ 78,338	90%
\$ 78,987	100%

[Table of Contents](#)

The Committee had discretion as to the amount, if any, of any annual incentive awards to the Company's executives for results that met any of the established performance goals, fell below the established performance goals, between each level of the goals or which exceeded the one hundred percent operating income goal. The Committee met in February of this year to determine whether the Company's prior-year performance merited payment to the executives under the annual incentive plan and, if so, to determine the amount of such incentive award. The Company's 2008 fiscal year performance did not meet any of the established performance goals required to merit payment of any percentage of the executive's base pay as an incentive; and accordingly, the Committee did not award any annual incentives to the Named Executive Officers of the Company for the fiscal year ended December 31, 2008 (the individual incentive award amounts are set forth in the "Bonus" column of the Summary Compensation Table on page 22 of this Proxy Statement).

Long-Term Equity Incentive Awards

The Named Executive Officers receive incentive awards under the Company's 1999 Stock Option and Incentive Plan. In May 1999, the Company's shareholders approved the 1999 Plan. The Company's shareholders approved an increase to the plan's share pool in May 2004. As of March 1, 2008, an aggregate of 9,516 shares remained available for issuance under the 1999 Plan. In addition, the 1999 Plan was scheduled to expire by its terms on February 5, 2009, before this Annual Meeting. Therefore, the Company asked its shareholders to approve, and the Company's shareholders did approve, an amendment and restatement of the 1999 Plan which was a continuation and extension of the 1999 Plan. The approval of the continuation and extension of the 1999 Plan became effective on April 2, 2008 and provides, among other things, that an aggregate of 7,500,000 shares may be issued under the plan measured from the inception of the 1999 Plan. References to the "Amended and Restated Plan" in this Proxy Statement refer to the 1999 Plan as originally adopted, as amended in May 2004 and as continued and extended in April 2008.

The Committee is charged with administration of and it has sole authority over the Amended and Restated Plan. The Committee has the discretion to award stock options, non-vested restricted shares of common stock, stock appreciation rights and other forms of long-term equity incentives under the Amended and Restated Plan. Annual long-term equity incentive awards to executives are made at the Committee's regularly scheduled meeting in February. Additionally, newly hired or promoted executives may receive stock option or non-vested restricted share awards on or soon after their date of hire or promotion.

In making individual awards under the Amended and Restated Plan, the Committee considers a number of factors including the Company's past financial performance, individual performance of each executive, the retention goal of such a long-term equity incentive award, the grant date value of any proposed award, the other compensation components for the executive, equity plan compensation dilution, the executive's stock ownership and option holdings and long-term equity incentive awards to executives holding similar positions within the Peer Group.

During 2008, the Committee awarded stock options, under the Amended and Restated Plan, to the Named Executive Officers. The awards have a vesting period of three years and vest equally over that three-year period. The options have a seven-year term and therefore will expire if not exercised within seven years of the grant date. Other than the vesting schedule established by these stock option awards, such shares will vest upon the death or disability of the recipient, as well as a "Change in Control," as such term is defined in the Amended and Restated Plan.

Awards made to the Named Executive Officers under the 1999 Plan for the fiscal year ended December 31, 2008 are set forth in the Plan-Based Awards for Fiscal 2008 Table on page 24 of this Proxy Statement.

Stock Ownership Guidelines

Although the Company encourages ownership of Company common stock by the Named Executive Officers, no required ownership guidelines have been established.

Retirement and Other Benefits

All full-time Company employees are entitled to participate in the Company's 401(k) retirement plan. Under the Company's 401(k) retirement plan, the Company matches 25% of an employee's contribution up to 6% of the employee's salary, subject to the rules and regulations on maximum contributions by individuals under such a plan. Matching contributions to the Named Executive Officers for the fiscal year ended December 31, 2008 are reflected in the "401(k) Match" column of the All Other Compensation Table on page 23 of this Proxy Statement.

Additionally, all full-time employees of the Company are eligible to participate in the Company's 2005 Employee Stock Purchase Plan (the "2005 ESPP") upon enrolling in the 2005 ESPP during one of the established enrollment periods. Under the terms of the 2005 ESPP, eligible employees of the Company can purchase shares of the Company's common stock through payroll deduction and lump sum contributions at a discounted price. The purchase price for such shares of common stock for each Option Period, as described in the 2005 ESPP, will be the lower of: (a) 90% of the closing market price on the first trading day of an Option Period (there are two Option Periods each year—January 1 to June 30 and July 1 to December 31) or; (b) 90% of the closing market price on the last trading day of the Option Period. Under the 2005 ESPP, no Company employee is permitted to purchase more than 2,000 shares of the Company's common stock per Option Period or shares of common stock having a market value of more than \$25,000 per calendar year, as calculated under the 2005 ESPP.

Other than as described above, the Company does not have or provide any supplemental executive retirement plan, or similar plan that provides for specified retirement payments or benefits. Moreover, the Company does not have or provide any defined contribution or other plan that provides for the deferral of compensation on a basis that is not tax-qualified.

Potential Payments upon Termination or Change in Control

Under the Amended and Restated Plan, any non-vested restricted shares, options or other forms of equity-based compensation will vest upon a "Change in Control". The market value of all non-vested restricted shares held by the Named Executive Officers as of December 31, 2008 which would vest upon a Change in Control are set forth in the "Market Value of Shares of Stock That Have Not Vested" column of the Outstanding Equity Awards at Fiscal Year-End Table on page 25 of this Proxy Statement.

Under Bruce A. Campbell's Employment Agreement, he is entitled to certain payments upon a change in control, as described on pages 15-16 of this Proxy Statement. Assuming a change in control took place on December 31, 2008, Mr. Campbell would have been entitled to payment of his base salary of \$500,000, his prior year's incentive of \$150,000 and any accrued but unpaid vacation.

Perquisites and Other Personal Benefits

The Company provides its Named Executive Officers with perquisites and other personal benefits that the Company and the Committee believe are reasonable and consistent with its overall compensation program to better enable the Company to attract and retain superior employees for key positions. The Committee

[Table of Contents](#)

periodically reviews the levels of perquisites and other personal benefits provided to the Named Executive Officers. The Named Executive Officers are provided a monthly car allowance and reimbursement of certain commuting expenses. The amounts of such benefits received by each Named Executive Officer for the fiscal year ended December 31, 2008 are set forth in the “Car Allowance and Commuting Expenses” column of the All Other Compensation Table on page 23 of this Proxy Statement.

Additionally, the Named Executive Officers are eligible to participate in the Company’s health, dental, disability and other insurance plans on the same terms and at the same cost as such plans are available to all of the Company’s full-time employees.

Tax and Accounting Implications

Deductibility of Executive Compensation. As part of its role, the Committee reviews and considers the deductibility of executive compensation under Section 162(m) of the Internal Revenue Code of 1986, as amended (the “Code”), which provides that the Company may not deduct compensation of more than \$1,000,000 that is paid to certain individuals. The Company believes that compensation paid under the management incentive plans is generally fully deductible for federal income tax purposes. However, in certain situations, the Committee may approve compensation that will not meet these requirements in order to ensure competitive levels of total compensation for its executive officers. In this regard, for fiscal 2008, any amount of base salary in excess of \$1,000,000 for any Named Executive Officer would not be deductible for federal income tax purposes.

Audit Committee Report

The Audit Committee oversees the Company's financial reporting process on behalf of the Board. Management has the primary responsibility for the financial statements and the reporting process, including the systems of internal controls. In fulfilling its oversight responsibilities, the Audit Committee reviewed the audited financial statements in the 2008 Annual Report with management and the Company's independent registered public accounting firm, Ernst & Young LLP, including a discussion of the quality, not just the acceptability, of the accounting principles, the reasonableness of significant judgments and the clarity of disclosures in the financial statements. The Audit Committee's function is more fully described in its charter, which is available on the Company's website at www.forwardair.com and also available in print by contacting the Company Secretary at Forward Air Corporation, P.O. Box 1058, Greeneville, TN 37744.

The Audit Committee reviews the charter on an annual basis. The Board annually reviews the definition of independence under Nasdaq's listing standards for audit committee members and has determined that each member of the Committee meets that standard.

Table of Contents

Management is responsible for the preparation, presentation and integrity of the Company's financial statements, accounting and financial reporting principles, internal controls and procedures designed to ensure compliance with accounting standards, and applicable laws and regulations. Ernst & Young LLP is responsible for performing an independent audit and reporting on the consolidated financial statements of the Company and its subsidiaries and the effectiveness of the Company's internal controls over financial reporting.

The Audit Committee has been updated quarterly on management's process to assess the adequacy of the Company's system of internal controls over financial reporting, the framework used to make the assessment, and management's conclusions on the effectiveness of the Company's internal controls over financial reporting. The Audit Committee has also discussed with representatives of Ernst & Young LLP the Company's internal control assessment process and the firm's audit of the Company's system of internal controls over financial reporting.

The Audit Committee has reviewed and discussed the audited financial statements of the Company for the fiscal year ended December 31, 2008 with the Company's management and has discussed with Ernst & Young LLP, the matters required to be discussed by the Statement on Auditing Standards No. 61, as amended, as adopted by the Public Company Accounting Oversight Board (United States) ("PCAOB") in Rule 3200T. In addition, Ernst & Young LLP has provided, and the Audit Committee has received, written disclosures and the letter required by PCAOB Ethics and Independence Rule 3526, "Communication with Audit Committees Concerning Independence."

In performing all of these functions, the Audit Committee acts in an oversight capacity. The Audit Committee reviews the Company's quarterly reports on Form 10-Q and annual report on Form 10-K prior to filing with the SEC. In its oversight role, the Audit Committee relies on the work and assurances of the Company's management, which has the primary responsibility for establishing and maintaining adequate internal controls over financial reporting and for preparing the financial statements, and other reports, and of the independent registered public accountants, who are engaged to audit and report on the consolidated financial statements of the Company and its subsidiaries and the effectiveness of the Company's internal controls over financial reporting.

Based on these reviews and discussions, the Audit Committee recommended to the Board of Directors that the audited financial statements be included in the Company's Annual Report on Form 10-K for the fiscal year ended December 31, 2008 for filing with the SEC.

In addition, the Audit Committee has discussed with Ernst & Young LLP their independence from management and the Company and considered the compatibility of non-audit services with Ernst & Young LLP's independence.

Additionally, a restricted share grant awarded under the Amended and Restated Non-Employee Director Stock Plan was not timely reported on a Form 4 by G. Michael Lynch as a result of an Edgar access code issue.
