On February 12, 2006, the Compensation Committee (the "Committee") of the Board of Directors of Forward Air Corporation (the "Company") authorized the payment of annual incentive bonus awards to each of the Company's executive officers for the fiscal year ended December 31, 2005. The annual incentive awards were made pursuant to and consistent with the Company's executive compensation philosophy. The award amounts were based upon the Company's performance during 2005, as well as individual management performance.

The Committee awarded fiscal year 2005 bonuses as follows:

The Committee also awarded time-based restricted stock to each of the Company's executive officers under the Company's 1999 Stock Option and Incentive Plan. The restricted stock shares vest equally in one-third increments over three years commencing on February 12, 2007 and fully vesting on February 12, 2009. Upon vesting, the restricted stock will be issued to the holder in an equal number of shares of the Company's \$0.01 par value common stock. During the vesting period, the holder of restricted stock is entitled to receive a cash amount equal to any dividend declared and paid on the Company's common stock multiplied by the number of restricted stock then held.

The restricted stock awarded to each executive officer is as follows:

In addition, on February 12, 2006, the Committee established fiscal 2006 base salaries for the Company's executive officers.
